

Ministry of Environment of the Slovak Republic and Slovak Environment Agency are inviting you to the

INTERNATIONAL CONFERENCE

CLIMATE CHANGE 2019 CHALLENGES AND SOLUTIONS

13 – 15 November 2019 BRATISLAVA

PROGRAMME OF THE CONFERENCE

13 November 2019

14.00 – 17.00 Primate's Palace, Primaciálne námestie 2

City for people = city for healthy life, *Ingrid Konrad, Chief architect of the City of Bratislava*Bratislava and state of climate emergency, *Andrej Kovarik, Capital city of the Slovak Republic Bratislava*Approaches of the Self-Governing Region office to strategic solution of adaptation to climate change and presentation of practical examples of implementation of selected measures, *Martin Hakel, Bratislava Self-Governing Region office*Museum tour - English tapestries, picture gallery

Fieldtrip – Park revitalization on Svoradova st.

14 November 2019

STRATEGIC AND CONCEPTUAL APPROACH TO TACKLING CLIMATE CHANGE ISSUES, TOOLS TO SUPPORT THE IMPLEMENTATION OF SELECTED MEASURES

08.30 - 09.30	Registration of participants
09.30 – 09.45	Conference opening
	Representatives of Ministry of Environment of the Slovak Republic, Capital city of the
	Slovak Republic Bratislava, Slovak Environment Agency
09.45 - 11.00	Climate change – "Theme of the day" at global, national and local level

09.45 – 09.55	Climate change as a phenomenon of the present time and its international perception
	Jozef Škultety, Ministry of Environment of the Slovak Republic
09.55 – 10.05	What are the conclusions of the UN Climate action Summit 2019?
	Gabriela Fischerová, Ministry of Environment of the Slovak Republic
10.05 – 10.20	Financing Climate Futures – The agenda for transformation to low-emision, climate-resilient economies, Anthony Cox, Organisation for Economic Co-operation and Development
10.20 - 10.35	Presentation of experience from realised activities and planed new activities with
	participation of Capital city of Slovak Republic Bratislava – <i>Tatiana Kratochvílová, 1. deputy of</i>
10.35 – 11.00	Mayor of the Capital city of the Slovak Republic Bratislava Discussion
11.00 – 11.30	Coffee break (30 min.)
11.00 – 11.30	Conee break (50 mm.)
11.30 – 12.45	Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable
	Development Goals - Climate change mitigation
11.30 - 11.45	"A Clean Planet for all" – the new EU Climate strategy, Artur Runge-Metzger, European
	Commission
11.45 – 12.00	The Joint Research Centre supporting the EU Energy Union and Climate Policy – Antonio Soria,
	the Joint Research Centre (JRC)
12.00 - 12.10	Low Carbon growth Study for Slovakia – Kristína Mojzesová, Institute of Environmental Policy,
	Ministry of Environment of the Slovak Republic
12.10 - 12.20	Climate protection policy in the Czech Republic - Opportunities and challenges - Pavel
	Zámyslický, Ministry of Environment of the Czech Republic
12.20 - 12.30	Austrian Climate and Energy Strategy - goals and procedures to achieve them - experience
	from Austria – Helmut Hojesky, Federal Ministry for Sustainability and Tourism, Austria
12.30 - 12.45	Discussion
12.30 - 12.45 12.45 - 13.45	Discussion Lunch (1 hour)
12.45 – 13.45	Lunch (1 hour)
	Lunch (1 hour) Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable
12.45 – 13.45	Lunch (1 hour) Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate
12.45 - 13.45 13.45 - 15.30	Lunch (1 hour) Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts
12.45 – 13.45	Lunch (1 hour) Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts Approaches and activities of the European Commission in the field of adaptation to climate
12.45 - 13.45 13.45 - 15.30 13.45 - 14.00	Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts Approaches and activities of the European Commission in the field of adaptation to climate change — Elena Višňar Malinovská, European Commission
12.45 - 13.45 13.45 - 15.30	Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts Approaches and activities of the European Commission in the field of adaptation to climate change — Elena Višňar Malinovská, European Commission Climate change impacts and adaptation in Europe - findigs from the European Environment
12.45 - 13.45 13.45 - 15.30 13.45 - 14.00 14.00 - 14.15	Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts Approaches and activities of the European Commission in the field of adaptation to climate change — Elena Višňar Malinovská, European Commission Climate change impacts and adaptation in Europe - findigs from the European Environment Agency (EEA) — André Jol, European Environment Agency
12.45 - 13.45 13.45 - 15.30 13.45 - 14.00	Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts Approaches and activities of the European Commission in the field of adaptation to climate change – Elena Višňar Malinovská, European Commission Climate change impacts and adaptation in Europe - findigs from the European Environment Agency (EEA) – André Jol, European Environment Agency Action plan of implementation of National adaptation strategy of the Slovak Republic – Richard
12.45 - 13.45 13.45 - 15.30 13.45 - 14.00 14.00 - 14.15	Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts Approaches and activities of the European Commission in the field of adaptation to climate change — Elena Višňar Malinovská, European Commission Climate change impacts and adaptation in Europe - findigs from the European Environment Agency (EEA) — André Jol, European Environment Agency Action plan of implementation of National adaptation strategy of the Slovak Republic — Richard Filčák, Institute of Forecasting of the Center of Social and Psychological Sciences, Slovak Academy
12.45 - 13.45 13.45 - 15.30 13.45 - 14.00 14.00 - 14.15 14.15 - 14.25	Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts Approaches and activities of the European Commission in the field of adaptation to climate change – Elena Višňar Malinovská, European Commission Climate change impacts and adaptation in Europe - findigs from the European Environment Agency (EEA) – André Jol, European Environment Agency Action plan of implementation of National adaptation strategy of the Slovak Republic – Richard Filčák, Institute of Forecasting of the Center of Social and Psychological Sciences, Slovak Academy of Sciences
12.45 - 13.45 13.45 - 15.30 13.45 - 14.00 14.00 - 14.15	Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts Approaches and activities of the European Commission in the field of adaptation to climate change — Elena Višňar Malinovská, European Commission Climate change impacts and adaptation in Europe - findigs from the European Environment Agency (EEA) — André Jol, European Environment Agency Action plan of implementation of National adaptation strategy of the Slovak Republic — Richard Filčák, Institute of Forecasting of the Center of Social and Psychological Sciences, Slovak Academy of Sciences Activities of the National platform of Covenant of Mayors for Climate and Energy for
12.45 - 13.45 13.45 - 15.30 13.45 - 14.00 14.00 - 14.15 14.15 - 14.25	Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts Approaches and activities of the European Commission in the field of adaptation to climate change — Elena Višňar Malinovská, European Commission Climate change impacts and adaptation in Europe - findigs from the European Environment Agency (EEA) — André Jol, European Environment Agency Action plan of implementation of National adaptation strategy of the Slovak Republic — Richard Filčák, Institute of Forecasting of the Center of Social and Psychological Sciences, Slovak Academy of Sciences Activities of the National platform of Covenant of Mayors for Climate and Energy for supporting the implementation of adaptation measures at local level — Natália Šovkopljas,
12.45 - 13.45 13.45 - 15.30 13.45 - 14.00 14.00 - 14.15 14.15 - 14.25	Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts Approaches and activities of the European Commission in the field of adaptation to climate change — Elena Višňar Malinovská, European Commission Climate change impacts and adaptation in Europe - findigs from the European Environment Agency (EEA) — André Jol, European Environment Agency Action plan of implementation of National adaptation strategy of the Slovak Republic — Richard Filčák, Institute of Forecasting of the Center of Social and Psychological Sciences, Slovak Academy of Sciences Activities of the National platform of Covenant of Mayors for Climate and Energy for
12.45 - 13.45 13.45 - 15.30 13.45 - 14.00 14.00 - 14.15 14.15 - 14.25	Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts Approaches and activities of the European Commission in the field of adaptation to climate change – Elena Višňar Malinovská, European Commission Climate change impacts and adaptation in Europe - findigs from the European Environment Agency (EEA) – André Jol, European Environment Agency Action plan of implementation of National adaptation strategy of the Slovak Republic – Richard Filčák, Institute of Forecasting of the Center of Social and Psychological Sciences, Slovak Academy of Sciences Activities of the National platform of Covenant of Mayors for Climate and Energy for supporting the implementation of adaptation measures at local level – Natália Šovkopljas, the Union of towns and cities of Slovakia
12.45 - 13.45 13.45 - 15.30 13.45 - 14.00 14.00 - 14.15 14.15 - 14.25	Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts Approaches and activities of the European Commission in the field of adaptation to climate change — Elena Višňar Malinovská, European Commission Climate change impacts and adaptation in Europe - findigs from the European Environment Agency (EEA) — André Jol, European Environment Agency Action plan of implementation of National adaptation strategy of the Slovak Republic — Richard Filčák, Institute of Forecasting of the Center of Social and Psychological Sciences, Slovak Academy of Sciences Activities of the National platform of Covenant of Mayors for Climate and Energy for supporting the implementation of adaptation measures at local level — Natália Šovkopljas, the Union of towns and cities of Slovakia Climate change vulnerability assessment of the Czech Republic — Miroslav Havránek, Tereza
12.45 - 13.45 13.45 - 15.30 13.45 - 14.00 14.00 - 14.15 14.15 - 14.25 14.25 - 14.35	Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts Approaches and activities of the European Commission in the field of adaptation to climate change – Elena Višňar Malinovská, European Commission Climate change impacts and adaptation in Europe - findigs from the European Environment Agency (EEA) – André Jol, European Environment Agency Action plan of implementation of National adaptation strategy of the Slovak Republic – Richard Filčák, Institute of Forecasting of the Center of Social and Psychological Sciences, Slovak Academy of Sciences Activities of the National platform of Covenant of Mayors for Climate and Energy for supporting the implementation of adaptation measures at local level – Natália Šovkopljas, the Union of towns and cities of Slovakia Climate change vulnerability assessment of the Czech Republic – Miroslav Havránek, Tereza Kochová, CENIA Czech Environmental Information Agency
12.45 - 13.45 13.45 - 15.30 13.45 - 14.00 14.00 - 14.15 14.15 - 14.25 14.25 - 14.35	Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts Approaches and activities of the European Commission in the field of adaptation to climate change – Elena Višňar Malinovská, European Commission Climate change impacts and adaptation in Europe - findigs from the European Environment Agency (EEA) – André Jol, European Environment Agency Action plan of implementation of National adaptation strategy of the Slovak Republic – Richard Filčák, Institute of Forecasting of the Center of Social and Psychological Sciences, Slovak Academy of Sciences Activities of the National platform of Covenant of Mayors for Climate and Energy for supporting the implementation of adaptation measures at local level – Natália Šovkopljas, the Union of towns and cities of Slovakia Climate change vulnerability assessment of the Czech Republic – Miroslav Havránek, Tereza Kochová, CENIA Czech Environmental Information Agency Activities of the Environment Agency in the field of Climate Change Adaptation and Disaster
12.45 - 13.45 13.45 - 15.30 13.45 - 14.00 14.00 - 14.15 14.15 - 14.25 14.25 - 14.35	Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts Approaches and activities of the European Commission in the field of adaptation to climate change – Elena Višňar Malinovská, European Commission Climate change impacts and adaptation in Europe - findigs from the European Environment Agency (EEA) – André Jol, European Environment Agency Action plan of implementation of National adaptation strategy of the Slovak Republic – Richard Filčák, Institute of Forecasting of the Center of Social and Psychological Sciences, Slovak Academy of Sciences Activities of the National platform of Covenant of Mayors for Climate and Energy for supporting the implementation of adaptation measures at local level – Natália Šovkopljas, the Union of towns and cities of Slovakia Climate change vulnerability assessment of the Czech Republic – Miroslav Havránek, Tereza Kochová, CENIA Czech Environmental Information Agency Activities of the Environment Agency in the field of Climate Change Adaptation and Disaster Risk Reduction, preliminary results of the PLACARD project – Markus Leitner, Environment
12.45 - 13.45 13.45 - 15.30 13.45 - 14.00 14.00 - 14.15 14.15 - 14.25 14.25 - 14.35 14.35 - 14.50 14.50 - 15.05	Towards the implementation of the Paris Agreement and the 2030 Agenda - Sustainable Development Goals - Strengthening resilience and reducing vulnerability to climate change impacts Approaches and activities of the European Commission in the field of adaptation to climate change — Elena Višňar Malinovská, European Commission Climate change impacts and adaptation in Europe - findigs from the European Environment Agency (EEA) — André Jol, European Environment Agency Action plan of implementation of National adaptation strategy of the Slovak Republic — Richard Filčák, Institute of Forecasting of the Center of Social and Psychological Sciences, Slovak Academy of Sciences Activities of the National platform of Covenant of Mayors for Climate and Energy for supporting the implementation of adaptation measures at local level — Natália Šovkopljas, the Union of towns and cities of Slovakia Climate change vulnerability assessment of the Czech Republic — Miroslav Havránek, Tereza Kochová, CENIA Czech Environmental Information Agency Activities of the Environment Agency in the field of Climate Change Adaptation and Disaster Risk Reduction, preliminary results of the PLACARD project — Markus Leitner, Environment Agency, Austria

16.00 – 17.00 I. Panel Discussion - Theme: Financing climate action

Panelists:

Anthony Cox, OECD, Katarína Forgáčová, Ministry of Finance of the Slovak Republic, Matej Ovčiarka, Ministry of Environment of the Slovak Republic, Elena Višňar Malinovská, European Commission, Pavel Zámyslický, Ministry of Environment of the Czech Republic

Moderator:

Pavol Szalai, EURACTIV

Registration of participants

17.00 – 18.00 Poster section

08.30 - 09.00

18.00 – 20.00 Social dinner (2 hours)

15 November 2019

EXPECTED TRENDS, FORECASTS AND SCENARIOS IN THE FIELD OF CLIMATE CHANGE AND RELATED COHERENCES - GLOBAL, EUROPEAN AND LOCAL VIEW

08.30 - 03.00	Registration of participants
09.00 - 10.45	Trends, forecasts and possible scenarios of climate change impacts - international and
	national context
09.00 - 09.15	OECD approaches to climate change forecasting and scenario development – OECD
09.15 - 09.30	Modeling analysis for the EU's vision for a Long Term Strategy – Antonio Soria, JRC
09.30 - 09.45	Environmental scenarios 2020+ in the Slovak Republic – Radoslav Považan, Slovak
	Environment Agency, Richard Filčák, Institute for Forecasting, Centre of Social and
	Psychological Sciences, Slovak Academy of Sciences
09.45 - 10.00	Climate change projections in Central Europe according to representative concentration
	pathways (RCP) scenarios — Aleš Farda, Czech Academy of Sciences — CzechGlobe
10.00 - 10.15	Weak signals in the area of climate change - geoingineering - Miroslav Havránek, CENIA
	Czech Environmental Information Agency
10.15 – 10.30	Explore opportunities for sustained usage of foresight methods supporting of Climate
	Change Adaptation and Disaster Risk Reduction policy and practice – Markus Leitner,
	Environment Agency, Austria
10.30 - 10.45	Discussion
10.45 – 11.15	Coffee break (30 min)
11.15 – 12.30	II. Panel Discussion - Topic: Approaches to trend assessment, forecasting and scenario
	development as part of strategic procedures and solutions
	Panelists:
	Anthony Cox, OECD, Ed Dammers, PBL Netherlands Environmental Agency,
	Aleš Farda, Czech Academy of Sciences – CzechGlobe, Richard Filčák, Institute for
	Forecasting, Centre of Social and Psychological Sciences, Slovak Academy of Sciences,
	Miroslav Havránek, CENIA Czech Environmental Information Agency
	Moderator:
	Milan Chrenko, Ministry of Environment of the Slovak Republic
12.30 - 13.00	Conclusions and closure of the conference
13.00 – 14.00	Lunch (1 hour)

The activity has been implemented within the framework of national project
Information and providing advice on improving the quality of environment in Slovakia.

The project is cofinanced by Cohesion Fund of the EU under Operational programme Quality of Environment.
